

FINGERTIP REPORT: B.2. SERVICE UTILIZATION SUMMARY for Children with Serious Emotional Disorders
All Funding Streams Including Medicaid and General Funds
Period: 10/1/2011 - 9/30/2012

During Fiscal Year 2012 (October 1, 2011 – September 30, 2012), the community mental health system served 40,800 children with serious emotional disorders (SED). The public mental health system provides these services through Medicaid funds, other forms of insurance, as well as state general fund dollars. Table B shows the number and percentage of children with serious emotional disorders who received evidence-based services including Homebased services, Wraparound, and Parent Management Training. Detailed descriptions of these services are located in [Michigan's Medicaid Provider Manual](#).

PIHP	# SED Children Served	Homebased		Wraparound		SED Children Receiving parent mgmnt training
		#	%	#	%

Report produced by: MDCH, Mental Health and Substance Abuse Services, Performance Measurement Section

Source Data: Quality Improvement and Encounter Data

Data Extraction Date: Encounter Data extracted on July 5, 2013; QI data extracted for Section 404 report (April 2, 2012).

Report Date: 7/19/2013

Notes: Table B excludes individuals for whom their disability designation or age was not available or who were reported to only have a substance abuse-related disorder.

Table includes children ages 18 and under who have a disability designation of mental illness (MI=1) and excludes children who are dually eligible with a developmental disability (MI=1 and DD=1).

Home-Based Service is defined operationally by HCPCS code H0036.

Wraparound is defined by HCPCS codes H2021 and H2022.

Parent Management Training is defined by an HA modifier appended to any of the following service codes - (90846, 90847, 90849, H0036, S5111) .
